

BRENT HARLEY
President, B.E.S., B.L.A., M.B.A.

Professional Profile

Brent Harley has been involved in all aspects of resort development for the past thirty years.

With Bachelor degrees in environmental studies and landscape architecture, and a Masters of Business Administration, Brent has focused on mountain resort master planning, village planning and golf resort planning throughout Canada, the USA, Australia, Japan and Korea. As an extension to the planning, he has been very involved in the approval processes for these projects, working closely with his clients and the various government bodies to achieve the desired end results.

Living in Whistler since 1978 has afforded Brent the opportunity to participate in the planning of all aspects of that resorts' development. He has served on the Whistler Advisory Planning Commission and Advisory Design Panel and is an active participant in the ongoing issues of this world class destination.

As owner and President of Brent Harley and Associates, The Resort Planning Group, Brent directs the activities of his highly specialized staff in their very diversified and active practice.

Brent lives with his wife Nancy, daughter Paige and son Chase. He is an active recreationalist with a focus on skiing and mountain biking.
